

November 13, 2018

Dear Colleague:

I am writing to personally invite you to bring your choirs - singers in grades 4-8- to the Pueri Cantores New York Treble Choral Festival and Mass on Saturday, March 23, 2019 at St. John Nepomucene, where I serve as Director of Music. This very special event is for complete ensembles who can then return home to share their music with their schools and parishes.

The Church of St. John Nepomucene was built in 1924 by Slovak immigrants and is a beautiful architectural example of Romanesque Revival including superb acoustics. St. John Nepomucene was merged with two other parish communities (St. John Martyr and St. Frances Cabrini, Roosevelt Island) in 2015. Check out www.eastrivercatholics.org for more information.

This regional festival attracts parish and school choirs from several dioceses, is directed by a nationally recognized conductor, and offers 8 professional development credits to participating directors.

Please click on the image below to download the informational flyer and register now! Music is downloadable on the AFPC website at www.pcchoirs.org and available at a 25% discount from Loser's Music which extends this discount to ALL music ordered for the participating choir throughout the year.

Please contact me with any questions or call the AFPC office with inquiries at 714.633.7554. You may also send emails to info@pcchoirs.org.

We're looking forward to hosting you and your singers!

Sincerely,

**Mark Pacoe
Director of Music, Organist / Director of Media Outreach
